Alex Moreau

Senior Infrastructure Engineer

🧑 SUMMARY

Infrastructure engineer with eleven years on payment and ledger systems, most of it on the reliability side of teams that could not afford an outage.

📁 EXPERIENCE

Senior Infrastructure Engineer

Mar 2022 – Present

Stripe · London

- Rebuilt the ledger write path: p99 commit latency from 340ms to 45ms.
- Led 40 services off a shared Postgres primary, retiring the last SPOF in payments.

Go · Postgres · Kubernetes · Terraform

Platform Engineer

Jun 2019 – Feb 2022

Monzo · London

- Took the bank from 20 to 200 deploys a day, with no new approval step.
- Cut paging 60% by fixing three alerts rather than raising thresholds.

Go · Cassandra · AWS

🎓 EDUCATION

BSc Computer Science

2013 – 2016

University of Bristol
First Class Honours

★ SKILLS

Languages	Go, Swift, Python, SQL
Infrastructure	Kubernetes, Terraform, AWS, Postgres
