

Alex Moreau

Senior Infrastructure Engineer

CONTACT	alex@moreau.dev · +44 7700 900123 · London, UK · github.com/alexmoreau alexmoreau.dev		
SUMMARY	Infrastructure engineer with eleven years on payment and ledger systems, most of it on the reliability side of teams that could not afford an outage.		
EXPERIENCE	Senior Infrastructure Engineer Stripe · London - Rebuilt the ledger write path: p99 commit latency from 340ms to 45ms. - Led 40 services off a shared Postgres primary, retiring the last SPOF in payments. Go · Postgres · Kubernetes · Terraform	Mar 2022 – Present	
	Platform Engineer Monzo · London - Took the bank from 20 to 200 deploys a day, with no new approval step. - Cut paging 60% by fixing three alerts rather than raising thresholds. Go · Cassandra · AWS	Jun 2019 – Feb 2022	
	Backend Engineer Deliveroo · London <i>Rider dispatch, through a period when order volume grew eight-fold.</i>	Sep 2016 – May 2019	
EDUCATION	BSc Computer Science University of Bristol First Class Honours	2013 – 2016	
SKILLS	Languages Go, Swift, Python, SQL Infrastructure Kubernetes, Terraform, AWS, Postgres Practice Incident response, Capacity planning, Mentoring		
PROJECTS	ledgerfuzz Author · github.com/alexmoreau/ledgerfuzz A property-based fuzzer for double-entry ledgers. In production at two banks.	2023	
CERTIFICATIONS	CKA — Certified Kubernetes Administrator CNCF	2021
